Embarking on a Kingdom Building Mission: Building Fundraiser for Desoto Christian Academy

Desoto Christian Academy is thrilled to announce the launch of a monumental fundraising campaign to construct a new building that will serve as a beacon of faith, education, and community for generations to come.

Vision:

Rooted in our commitment to providing a Christ-centered education, Desoto Christian Academy envisions a facility that will not only house classrooms but will also become a sanctuary for spiritual growth, academic excellence, and community fellowship. This project is an exciting opportunity to expand our capacity to nurture the minds and spirits of our students.

Campaign Goal:

The total cost for this project is estimated to be 2.2 million. God has provided 1.3 million towards this goal. We are seeking to raise the remaining \$900,000 to fund the construction of this building. This campaign represents a significant step forward in our mission to equip students with a strong foundation in both faith and knowledge, preparing them to impact the world with Christian principles.

To Build for Tomorrow, Today...

All for His Glory!

Original Founders Vision (1964):

The ~~church~~ ^{school} that we are building
Is greater than mortar and steel
Or nails and boards and windows —
It's something we keenly feel.
It's faith instilled in children,
It's courage to press ahead;
It's facing an unknown future
Unshaken by fear or dread.
It's sensing our duty to others,
Whom we thus hope to inspire
To follow wherever He leads them,
Through tempest or flood or fire
It's building for those yet strangers
Who later will find the way,
Because we had faith and vision
To build for tomorrow, today.
It's believing that what we build
Will ever continue to grow
As each succession of builders
Enlarge the ~~church~~ ^{school} as they go.
The Lord is the Master Builder,
His measure a rude wooden cross.
On today He's building tomorrow,
And we are the bridge across.

And we are the bridge across.
On today He's building tomorrow.

History:

In 1963 the Supreme Court ruled that government-sponsored religious activities in public schools were unconstitutional. Shortly thereafter, God led a group of citizens in Desoto County to start a private Christian school. This school was to be an “Ark” or safe place for the children of the community, a place where God was the focal point of education. After many years of fundraising Ark Academy’s doors opened in the Fall of 1970. In 1974 the new board of directors changed the name of the school to Desoto County Academy and, in 2018, to Desoto Christian Academy.

Mission and Vision:

The mission of Desoto Christian Academy is to provide a distinctively Christ-centered world view and a Biblically-based education. This ministry will guide students in the knowledge of God, the development of Christian character, and academic excellence, thus training the next generation of Christian leaders and equipping them for a life of service to their Savior, homes, churches, vocations, and communities.

The vision of Desoto Christian Academy is to positively impact culture by promoting truth, advancing the Christian faith, and equipping students to serve and lead with excellence.

Ambassadors for Christ

We are therefore Christ’s ambassadors, as though God were making his appeal through us. We implore you on Christ’s behalf: Be reconciled to God.
